President's Report: District's goal is to get everyone back in person; working with Amita to get vaccinations for staff;

Maureen Jones presented a program: My School Bucks; all fees paid to district through this online program except registration fees, PTC fundraisers could be done through this program vs. Square, (there is a processing fee same as Square); Parents can still send in cash to school and it will be applied to your account, PTC needs to vote if they want to make the switch to My School Bucks;

21-22 calendar approved (Aug. 18 First Day of School); Equity audit information will be coming out, huge need to recruit a more diverse staff, increased voice for under-represented families, AV was recognized for how well we included our new families when the boundaries were changed.

Treasurer's Report: SCRIP money (\$55); \$44 from Cane's for restaurant night; \$35 from Stella's Pizza; additional class money added since last meeting. Amazon Smile benefits?

Principal's Report – Mrs. Burnett: MAP Testing email was sent out; remote students can sign up to come in, or individual remote testing for families who are not comfortable coming in; 8-10 students in the gym at one time, 2 sessions a day, cleaning in between; surveillance testing going well- randomly testing 1 class in each school, each week; screening results on the CCSD89 website; 7 students and 1 staff with significant findings; mitigation techniques in place still; many staff wearing the new Spirit Wear; picture retakes on the 19th of February; Parking lot update: called DuPage County Sheriff's office to monitor, added staff out front, looking to re-work things for next year when there is a full return of students

Faculty Report – Miss Martie & Miss Clarey: Spirit Days going well, hoping to keep 100's day next year; thanks for the support of the parents so far this year.
