Welcome to Arbor View School!

One key factor in the success of our school is the fantastic amount of parent and family involvement throughout the year. In this brochure, you will find a brief overview of many of the ways you can get involved, from small one-time tasks to long-term committee positions. Most of the activities and positions listed require multiple volunteers to ensure success, and we never turn down a helping hand!

Our school community loves family participation, so please consider the opportunities listed here and let us know if you are willing to offer some of your time or skills!

Also check out the PTC website for details on these activities and more:

Welcome Day: Prior to the first day of school each year, Welcome Day allows students and their families to accomplish several tasks (some are optional), including taking school pictures, signing up to help with class parties and other events and picking up pre-ordered school supplies. Volunteers help with organizing the day to make sure it runs smoothly.

Winterfest: Help with setting up, running or dismantling the games, activities and food at this popular winter-time event.

Long-Term Volunteer Positions
