

## SEPTEMBER ART SMART

A BIG thank you to all the students who turning a coloring page! Their creativity shined in coloring, painting, drawing and coloring blocking Marc Chagall's "America's Windows". We hope they enjoyed the activity booklet participation prize. Below are the September winners.

### OCTOBER ART SMART

This month's coloring page is "Two Cheeseburgers, with Everything" by Claes Oldenburg. His larger than life sculptures of everyday objects was the hallmark of his style. Mr. Oldenburg even studied at the Art Institute of Chicago.

We are looking forward to seeing the student's own version of 'Two Cheeseburgers with Everything' on the AV lobby wall! Let's get coloring!
