Thanks to all the students who drew their favorite animal. There were great interpretations of cats, unicorns, dogs, and hippos to name a few. We hope the kids enjoy the slinky participation prize. FEBURARY ART SMART- ABOR VIEW PARENT SPOTLIGHT! FABIENNE MCMILLAN

Fabienne McMillan is an Arbor View Mom and oil paint artist! She mainly paints portraits, working on more than one piece at a time because it takes a long time for oil paint to dry. She is fascinated with people; and likes to paint specifically the eye of a person because she believes they are the most expressive part of the body, a window to the soul. **Let's show are Arbor View spirit and have your child**

complete a coloring page using only 4 colors and focusing on the eyes!
