## League Information

- This is a developmental league focused on learning the game of basketball. All participants play at least 2 quarters in every game.
- The league will begin in the middle of October and end in February. There will be no practices/games the week of Thanksgiving and for about 2 weeks over the winter break at the end of December.
- All children who participate are placed on new teams each year. In an effort to achieve as much balance among teams as possible, teams are created via evaluations & draft selection.
- Each team will usually have one hour of practice per week and one game per week. These will typically be weekdays at 6:30 or 7:30pm and Saturdays between 9am-3pm. All practices and games will be held at D89 schools.
- **The teams are coached by volunteer adults/parents. We need volunteers to coach and referee the games. Please Volunteer!** The league hosts a Coaches Clinic and Referee Clinic prior to the season to make sure you are comfortable. Parents who can't commit to coaching but know the game are urged to please help referee.
